ALTEO Amarone della Valpolicella

DENOMINAZIONE DI ORIGINE CONTROLLATA E GARANTITA

Amarone is known across the globe as the wine of excellence from the Verona region.

Since the 1990s, Alteo has been our flagship wine. Its elegance and power express our philosophy: to achieve a subtle balance between muscly structure and fine softness.

SENSORY ANALYSIS

Color: Vivid, particularly bright garnet.

Aroma: warm, inviting bouquet of dried fruit, black pepper, coffee, liquorice and vanilla.

Taste: Alteo is a full-bodied, elegant wine. On the palate it is soft, velvety, and substantial. The elegance, slight sweetness and volume are the surprising features of this wine. The finish is long with an aftertaste of liquorice.

GRAPES and HARVEST

Corvina 20% , Corvinone 65%, Rondinella 15%

The grapes are harvested by hand between the end of September and the beginning of October. During the harvest, we select loose bunches that are mature and suitable. The grapes are left in small wooden crates for 4 to 6 months.

SOIL, PRUNING SYSTEM and YIELD

Clayey and chalky soils on the highest slopes where vines can be grown. Pergola corta veronese. 50 tonnes per hectare.

WINEMAKING TECHNIQUE

Fermentation is carried out in steel vats for 25 to 35 days. The wine is then transferred to oak barrels where it is left to mature for at least 3 years. During this phase they are performed periodically organoleptic tastings of each individual barrique to understand its evolution.

ALCOHOL CONTENT

17.5 % by vol. (Varies according to the vintage)

SERVING TEMPERATURE

12 °C

FORMATS AVAILABLE

750 ml, 1.5l, 3.0l

FOOD & WINE PAIRING

Alteo pairs well with sweet-and-sour dishes, barbecued meats, game and very mature cheeses.
