## IGINO Cabernet Sauvignon Veronese

INDICAZIONE GEOGRAFICA TIPICA

Igino was the real name of the founder of the Fasoli Gino Winery. This wine is dedicated to his strength and personality. One of the traditions in the Fasoli family is meeting for Sunday lunch. The men of the house would challenge each other to see who would have the unpleasant task of going down to the cold labyrinth of the cellars to find the wine that would be drunk over lunch. "Igino" was created as a wine for those special moments of conviviality and togetherness.
