LIBER Bianco Veronese

INDICAZIONE GEOGRAFICA TIPICA

Liber was born in the late Nineties when Natalino and Amadio decided to use the typical grape of the Soave area, Garganega, to see how it would fair creating a wine with the maximum minerality. This was how Liber, a very pleasantly mineral and unique wine was created. The result shows the great versatility of our local grape variety, **Garganega**.

SENSORY ANALYSIS

Color: Yellow with green tints.

Aroma: tropical fruit and light aromas of minty herbs which are typical of the variety. Flowery, original, delicate nose. Complex aromas between varietal and fermentation.

Taste: On the palate, the wine is fresh, full- bodied and has good acidity and minerality. Liber is very elegant with a long finish.

GRAPES and HARVEST

Garganega 100%.

The grapes are harvested by hand in the first 10 days of September.

SOIL, PRUNING SYSTEM and YIELD

Clayey and chalky soils on the highest slopes where vines can be grown.

Pergola corta veronese.

50 tonnes per hectare.

WINEMAKING TECHNIQUE

Great attention is paid to the transformation phase. We use only free-running juice rather than pressing the grapes. This gives the wine a certain character.

Fermentation begins in stainless steel tanks and is completed in oak barrels of 25 Hl where it remains for a further 15 months on the lees.

ALCOHOL CONTENT

13% by vol.

SERVING TEMPERATURE

8 °C

FORMATS AVAILABLE

750 ml

FOOD & WINE PAIRING

Liber pairs well with fish dishes, especially raw fish or shellfish such as oysters. Excellent also served as an aperitif.
