## PIEVE VECCHIA Bianco Veronese

### INDICAZIONE GEOGRAFICA TIPICA

Pieve Vecchia is one of our most important wines and has carved itself a good reputation on foreign markets for thanks to its strong character. This wine has also been awarded a number of awards as one of the most interesting expressions of the garganega grape.

### SENSORY ANALYSIS

**Color:** Vibrant gold.

**Aroma:** Sweet spices, roasted barley, ripe white fruit, closes with the sweetness of lime and honeysuckle.

**Taste:** The mouth is round, full of flavor. Enveloping, soft and caressing, but also fresh and savory. Long finish that proposes toasted and smoky hints with almond notes.

#### GRAPES and HARVEST

Garganega 100%.

We harvest the grapes by hand in three different sessions. The first passage in the vineyards to pick fresh grapes ensures we keep some freshness in the wines. The second harvest takes place when the grapes are perfectly matured and the third harvest is left until the sugar and flavours are concentrated in the grapes.

#### SOIL, PRUNING SYSTEM and YIELD

Sandy and clayey soil.

Pergola corta veronese.

10 tonnes per hectare.

#### WINEMAKING TECHNIQUE

Fermentation begins in inox tanks. The wine is then transferred to tonneaux for about 12-15 months where it lays on its own yeasts. The wine is then bottled and left to fine for a further 6 months.

#### ALCOHOL CONTENT

14.5% by vol.

#### SERVING TEMPERATURE

10 -12 °C

#### FORMATS AVAILABLE

750 ml, 1.5l

#### FOOD & WINE PAIRING

Pieve Vecchia pairs well with seafood main courses, especially shellfish.

It also complements asparagus risotto and white meats.
